**Requests out** are the number of requests received from within the UK for criminal conviction information held overseas

**Requests in** are the number of requests received from overseas for criminal conviction information held in the UK. They are received via EU framework and Interpol channels.

**Notifications out** are the number of notification messages sent overseas about foreign nationals convicted in the UK. It is NOT the number of foreign nationals convicted, NOR the number of convictions.

**Notifications in** are the number of notification messages received about UK nationals convicted overseas. It is NOT the number of UK nationals convicted, NOR the number of convictions.

**Police Certificates** are issued to people wanting to move or work abroad. They are used by embassies, consulates and high commissions to make decisions on visa applications.

**ICPCs (International Child Protection Certificates)** are issued to people looking to work abroad with children. They confirm whether or not the individual has a relevant criminal history.

**Subject Access** allows members of the public to request information held about themselves on police databases.

**Record deletion** allows members of the public to request information held about them on national police systems to be removed.

**Back record conversion** is the process of converting historical records from microfiche onto the Police National Computer (PNC).

**PNC names enquiry checks** are carried out on behalf of authorised non-police agencies looking to access information on the PNC.

**ASNs (Arrest Summons Numbers)** are created on the PNC on behalf of authorised non-police agencies to bring prosecutions.
